B10, B12 with drum / Z - cam brakes

This kit suits Left **or** Right side.
You need two kits to repair both sides.

1 /

3,25

This left **or** right suitable kit 110050 will replace kits 110040 (for left) or 110041 (for right)

New **HD** creation !

Complete repair kit for Z - cam brakes:

110050

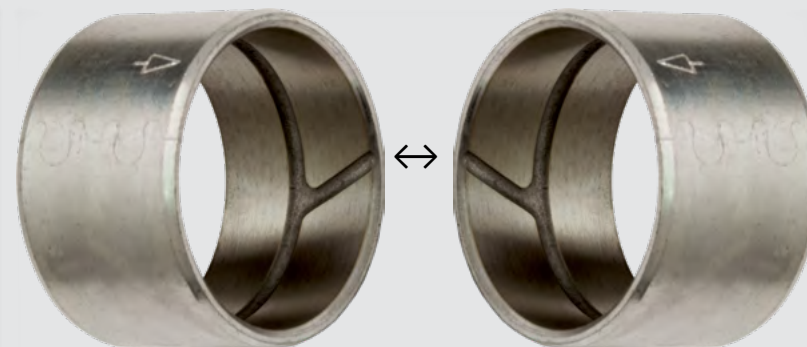

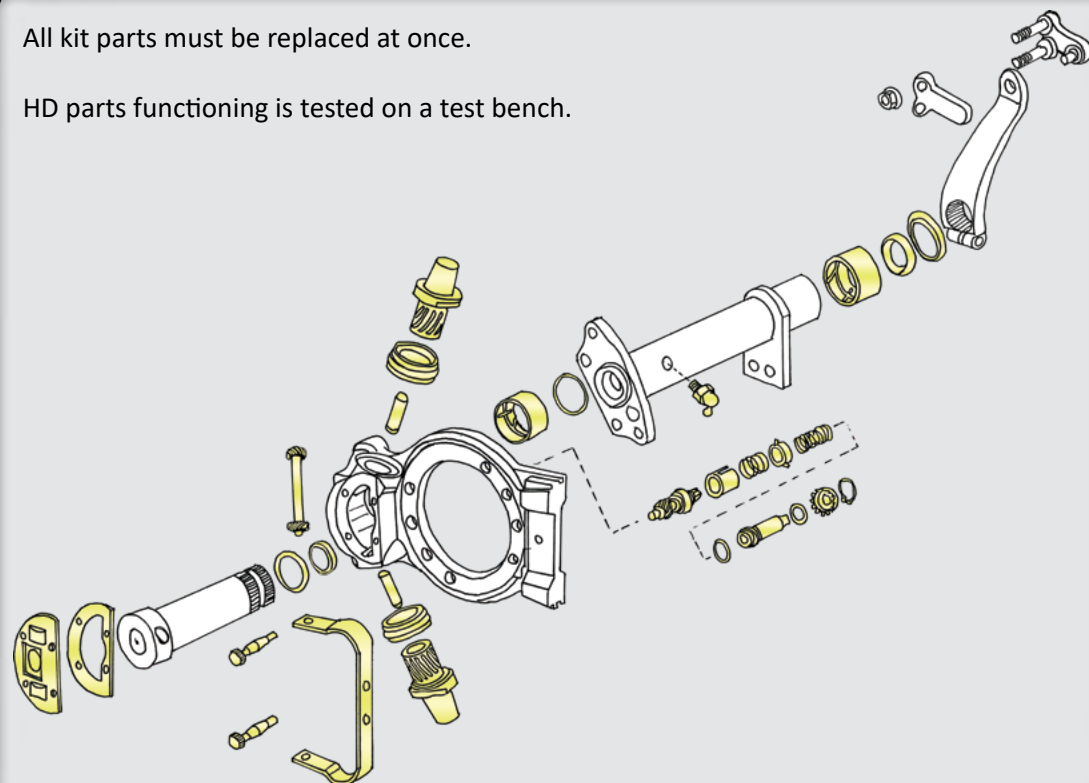

Same kit suits for either Left **or** Right side

All kit parts must be replaced at once.

HD parts functioning is tested on a test bench.

Bushings grooves have to be installed inwards so the grease can enter into the bushing.
